1. Committee Reports:

Gary – PGAA

The last meeting was held in Red Deer on July 20. The meeting minutes are on the PGAA website. The next meeting will be on September 21, also in Red Deer.

The golf tournament was a success and made some money.

The new website will be up in the next month.

Ross - Master Glazier

The first course has run twice and 25 students have completed so far. The feedback from the student has been positive. The first class will not be run again until the second course is available.

The Second Course, Doors and Hardware Installation, will be ready in 6-8 weeks. There is a meeting in Calgary the week of September 19 to finalize the course.

The 3rd course subject has not yet been determined.

Subject Matter Experts will be needed for future courses.

Clint – SAIT

The renovations have started. They will be ongoing as layout decisions are finalized.

Edmonton Class updates:

1st year – 9 spots available

2nd year – Full plus wait list

3rd year – 4 spots available
