

Meeting called to order at 6:46pm by Rick M.

1. Committee Reports:

Master Glazier

Startup meeting was held on September 20 at SAIT Campus to discuss the development of two courses this year, Specialty Glass and Structural Glass. The PGAA has provided \$23500+/- for the completion of these courses as determined by SAIT. This estimate may be high.

Two courses offered this school year: Door and Hardware and Blueprint Reading. If anyone has previously taken the blue print course please contact PGGA to make sure they have your information and to fill out an information waiver form. This will ensure they receive credit for the course and are included on any future correspondence. SAIT/PGAA may not have the student's information.

PGAA

No Report this month.

Clint – SAIT

Edmonton Class updates:

2nd – 15 students – Awesome class
3rd – 4 spots available
4th – 8 spots available
1st – Full, 6 on wait list

If you are registering and a class is full, still register as if there is a long wait list, it will increase the chances on another class added if they see the need is there.
