

Meeting called to order at 6:40pm by Rick M.

1. PGAA Business

Ross: I attended the AIT Awards presentation; however, our award winner did not show up, so the cheque will be mailed out.

2. NAIT Apprentice report

Clint: There are presently (9) apprentices attending the 2nd year class. There are also (9) enrolled for the upcoming 3rd year class and (9) for 4th year. The 1st year class in the spring only has (5) registered. Clint reminded everyone to ensure their apprentices are registered to attend class in Edmonton as attendance is low. NAIT expected a lower turn-out this year do to the transition, and hopefully numbers will improve next term. NAIT also appears more receptive in dealing with shop / classroom improvements than SAIT was.

Next 3rd year class starts on Monday November 4th, 2019.

3. Christmas Party

Allie: The Rec room in West Edmonton Mall has Friday, December 20th open if we are interested. Upon discussion, it was decided that this was too close to Christmas so other options will be considered.

4. Guest Presentation

Rick introduced Ryan Lemont of AMA for a presentation on winter driving preparedness.

Meeting adjourned at 7:25
