

Meeting called to order at 6:45pm by Rick M.

**1. PGAA Business**

**Ross:** I will be attending the AIT awards since one of our 4<sup>th</sup> year apprentice won the award. The PGAA provided \$15,000 for the achievement.

**Rick:** Please let every 4<sup>th</sup> year apprentice that they should apply. You need high score to win but there are very few people applying.

**2. NAIT Apprentice report**

**Clint:** The class sizes aren't terribly low, however if anybody knows anybody that is going to Calgary, please let them know we still have spots in Edmonton. The School is still not finished despite the amount of work done between me and Bryson Wood.

SAIT sold the curriculum to NAIT. We will follow it but there isn't a specific path that we need to follow. We will achieve what we are supposed to, meaning we will prepare the students to answer the questions required but we won't necessarily use a specific path. We will meet the requirements. For instance, we are required to have our students complete a 2' x 2' curtain wall but I would like to have them work on a 10' x 10'.

**Rick:** This is to respond to some owners that have had some complaints on what the students can do when they come out of school.

**Clint:** Also, we know that this year will be more expensive for parking and that students will work on lockers, but they will have more support.

For this year we have:

5 students for the 1<sup>st</sup> year

9 students for the 2<sup>nd</sup> year

6 students for the 3<sup>rd</sup> year

4 students for the 4<sup>th</sup> year

Next 3<sup>rd</sup> year class starts on Monday November 4<sup>th</sup>, 2019.

**3. Skills Canada**

Regan: We will start asking for volunteers during the next few months.

**4. Guest Presentation**
