

GTA Meeting of 2020-02-03

Rick convened the meeting at 6:46

PGAA Business

Ross: No new items to report regarding PGAA. Ross has prepared the second draft of the letter to be forwarded to glazing companies in Northern Alberta regarding the NAIT glazing school.

NAIT Apprentice report

Clint: 4th year class is now in session. The next class is 1st year and there are presently (18) apprentices registered to attend. NAIT photography students have been in to take pictures and video and they will soon be in to do interviews as well. Clint represented NAIT at their booth at the recent home renovation show and had a good response from visitors to the booth regarding the glazing trade. NAIT will have similar booths at three more shows this year.

P.A.C.

Kirk: No report this month.

SKILLS

Regan: Date for Skills Alberta this year is May 6th & 7th at the EXPO centre. We are looking for additional photos for the TV display at the booth. Regan will be sourcing volunteers in the near future.

Golf

Ryan Ardiel mentioned that Sandpiper is willing to host our tournament again this year; however, price may increase about \$10.00 per golfer. Ryan will forward this information to Darren at All Reach Glass.

Guest Presentation

Rick introduced Lisa Dockman and Marnie Devlin Moser of the City of Edmonton to discuss "Climate Change and Energy Alternatives". Topics included Corporate Climate Leaders Program and Building Energy Benchmarking Program. An Energy Audit is available to determine how your building compares to other similar buildings regarding energy usage.

Meeting adjourned at 7:52
