

CCA Liaison Report for GAMA
2020-02-13

Following my acceptance of the CCA position with GAMA, I have been in contact with the CCA, completed their Board Director Application Form, and am scheduled to attend the CCA board meetings 2020-02-19 at 07:30 and 2020-03-05 at 07:30, plus I am registered for the 2020-03-26 CCA AGM dinner. By our March meeting, 2020-03-12, I should have something of substance to report.

The CCA's annual board retreat is scheduled for 2020-05-07 to 09. Unfortunately, I will be out of the country on a previously arranged trip. I will enquire about the possibility of having someone else attend in my place.
